ENRICHING • EDUCATING • ENTERTAINING

It is the history and culture of the CIRCUS that sets Sarasota apart from any other place in Florida and, for that matter, almost any other city in North America. No single organization better exemplifies the living, breathing circus in our community than Circus Sarasota. Thanks to the vision and the passion of Dolly Jacobs and Pedro Reis, Circus Sarasota continues to preserve and enhance Sarasota's lively circus legacy that began in 1927.

Circus Sarasota's annual performance engagements have been acclaimed for world-class artistry and entertainment showcased in a one-ring, five-star European-style circus. No less significant, however, are the year round on-going outreach programs, Laughter Unlimited, Big Top Education and Sailor Circus dedicated to "children of all ages" in the community. Laughter Unlimited is a program in which performers provide entertainment for, and meaningful one-on-one interaction with, residents and patients of assisted living facilities, nursing homes, hospitals, and cancer support communities. For elementary school students, Big Top Education offers a stimulating and enjoyable circus-themed curriculum to enhance math, science, and reading. Sailor Circus is the longest-running youth circus program in America, serving Sarasota County students from the 4th through the 12th grades. Over 10,000 students have participated in the program, and more than a million people have attended performances of "The Greatest Little Show on Earth!" What you experience under our Big Top and what we contribute to the community prove that the circus is alive and well... and living right here in Sarasota!
